Packing instructions when you mail in your phone

- Backup your phone prior to sending it to us (if possible).
- Use the address label provided.
- Fill in and sign our job sheet and include it with your mobile phone repair.
- Remove the SIM card and Memory Card.
- Send your phone with a fully charged battery.
- Please do not send any accessories (usb cable, sim card, charger etc.) which are not related to the fault.
- Please do NOT send us or use the original sales package.
- We recommend you send your mobile phone insured in protective packaging.
